

## **You deserve better than Trump because:**

*Letter to the editor, [Brunswick Beacon](#), 08.15.24*

You were disgusted when Trump said, “you have to treat women like [expletive].”

You were nauseated when Trump said, “I’m automatically attracted to beautiful women. I just start kissing them. I don’t even wait. When you’re a star, they let you do it. You can do anything. Grab ‘em by the [expletive].”

You were repulsed when 46-year-old Trump approached a 10-year-old girl and bragged, “I’m going to be dating her in 10 years.”

You threw up in your mouth when Trump said, “You know who’s one of the great beauties of the world? And I helped create her. My daughter, Ivanka. She’s 6 feet tall, she’s got the best body. If Ivanka weren’t my daughter, I’d be dating her.”

You were repelled when Trump was found liable for sexually assaulting E. Jean Carroll, then said at least he didn’t rape her. And when the trial judge ruled “as the evidence at trial recounted below makes clear, the jury found that Mr. Trump, in fact, did exactly that.”

You were grossed out when Trump cheated on his first wife with his second, his second wife with his third, and his third wife with porn star Stormy Daniels.

You were horrified when Trump’s nephew told Trump about his disabled son’s medical expenses and Trump said, “Maybe you should just let him die and move down to Florida.”

You felt betrayed when Trump congratulated Putin for “yet another great deal,” without mentioning the American hostages or welcoming them home.

You were outraged when Trump’s longest-serving Chief of Staff, Gen. John Kelly, said Trump called wounded veterans and tortured POWs “suckers” because “there is nothing in it for them;” didn’t want to be seen with military amputees because “it doesn’t look good for me;” and called fallen heroes who died defending America “losers” and “wouldn’t visit their graves in France.”

Kelly called Trump “the most flawed person” he’s ever known. You deserve better.
